

## *Quality products, competitively priced from Kinney Electric*

Kinney Electric is setting the industry standard for superior quality, professional service, quick deliveries, flexible design and competitive prices.

### Panelboard Products:

- Circuit breaker, fusible and plug-fuse
- 12 gauge steel standard
- Square D components: I-Line® panelboard interiors, PowerPact® circuit breakers as well as Cutler Hammer molded case breakers

### Ratings:

- UL Listed AC and DC panels
- NEMA 1, 3R, 4 Stainless (316 Stainless also)
- 1000 Amps per sq. in. Copper in all panels
- Marine and Military Ratings

### Custom Options Available:

- Custom Enclosures
- Door-In-Door Construction
- Concealed Piano Hinge
- Welded Construction
- Custom Paint
- Quick Ship

### Switchboard/Switchgear Products:

- Square D components: Masterpact® circuit breakers as well as Cutler Hammer Magnum or DS II Breakers
- I-Line circuit breakers, I-Line interiors or Cutler Hammer molded case breakers
- Powerlogic® power monitoring and control
- 1000 amps per square inch Copper
- Up to 12000 Amps. AC and DC Switchboards (UL listed up to 10,000 amps)
- Reduced Height Available
- Transfer Switches (Open and Closed Transition), Manual, Service Entrance
- Circuit Breakers: Group Mounted, Individual Mounted Fixed and Drawout
- 4 High Construction
- Paralleling Switchgear
- Walk In and Non Walk In Outdoor Construction
- Match to existing conduit

### Ratings:

- NEMA 1, 3R, 4 Stainless (316 Stainless also)
- UL 891 and UL 1558

### Custom Options Available:

- Custom Enclosures and Bussing including custom outdoor houses
- Welded Construction Available.
- Custom Paint
- Marine and Military Ratings

### Medium Voltage Switch Products:

- Square D components, including HVL Medium Voltage Switchgear and HVL/cc™ 5-17.5 kV Metal Enclosed Switchgear
- SF 6 Technology Available.
- Selector Switch
- Walk In and Non Walk In Outdoor Construction.
- Matching To Existing Conduit

#### Ratings:

- Up To 38 KV. UL Listed up to 15kv
- NEMA 1, 3R, 4 Stainless (316 Stainless also)
- UL Listed
- Marine and Military Ratings

#### Custom Options Available:

- Custom Paint
- Welded Construction Available
- Quick Ship

### Medium Voltage Switchgear Products:

- Square D components, including Masterclad® Medium Voltage Metal-Clad Switchgear with Type VR Vacuum Circuit Breakers
- PowerLogic® Sepam 1000+ series of protection devices,
- PowerLogic® Power Monitoring and Control
- Walk In and Non Walk In Outdoor Construction.
- Transfer Switches (Two High Construction)
- Paralleling Switchgear.
- Up To 4000 Amps.
- Walk-In and Non Walk-In Outdoor Construction.
- Match to existing conduit

#### Ratings:

- NEMA 1, 3R, 4 Stainless (316 Stainless also available)
- UL Listed
- Marine and Military Ratings

#### Custom Options Available:

- Custom Paint
- Welded Construction
- Quick Ship
